Description

Recently restored and repainted in its original BMW colour this 325 SE E30 Cabriolet is just a dream to drive. Complete with service book and many bills it has everything a collector would wish for. The hood has been renewed and is in perfect condition, manually operated which is great as the electric hoods on these tend to be troublesome and cost thousands when they go wrong. Viewing highly recommended we do take part Exchange but are selective so no high mileage cars please. Available now Viewing by appointment only.
